**SEASON HIGHLIGHTS - Carmina Burana!** We had the opportunity to work with the Victoria Choral Society and members of the Victoria Symphony to put together this passionate rendition!

**The Gift!** Our modern version of The Nutcracker is a familiar holiday staple that has become our main touring production we revisit each season and involves local community dancers from all the venues we tour to. Our performances in Victoria are accompanied by the Victoria Symphony, bringing Tchaikovsky's beautiful score to life for a production the whole family can enjoy.

Frankenstein! Last October, Ballet Victoria resurrected one of literary history's most feared creatures in Frankenstein! Shelley's gothic classic met Coralli and Perrot's timeless ballet Giselle in a thrilling performance.
