A new season with both virtual and in-person performances will be on the menu for our 2021-22 productions. Opening with *Romeo & Juliet* in our own new venue in Kirk Hall, we invite you to experience dance up close and personal! In August 2020, BV transformed Kirk Hall into an unexpected and exciting performance venue that a few of you have enjoyed and where we filmed all of our productions last season. Thanks to your support, we managed the pandemic and kept all our artists employed.

While things are still a bit different, we are proud to invite you in to our new venue. The seating is limited but has lots of legroom and we will offer more performances! Since we will manage our box office for *Romeo & Juliet*, please call us directly at 250.380.6063 to book your seats.

In December, we plan to be back at the Royal Theatre with the Victoria Symphony for *The Gift*, our original version of *The Nutcracker*. If you love choir, live orchestra, and dance, the March program will fulfill all your passions. BV, VS and Vox Humana unite to bring you Gjeilo's *Sunrise Mass*, Vivaldi's *Gloria*, and Stravinsky's *The Firebird*. Finally, to close the season, our new and exciting version of *Cinderella* will enchant you and your family.

We will not have subscriptions this season, however, you can simply register on our website and we will send you a special subscription discount code for all our productions at the Royal Theatre.

We look forward to sharing our passion and seeing you at our performances!

Warmest regards,
Paul Destrooper
Artistic/Executive Director
