

COVID-19 Health Questionnaire & Protocols

In line with Health Canada and our commitment to ensuring the safety of Ballet Victoria staff, volunteers, and guests, Ballet Victoria asks that everyone truthfully answers the following questions prior to entering Kirk Hall.

1. Within the last 2 weeks, have you, or anyone you have come into close contact with, tested positive for COVID-19?
2. Do you, or anyone you have been in close contact with in the last 2 weeks, currently have any of the symptoms (i.e. fever, cough, breathing difficulty) associated with COVID-19?
3. Have you, or anyone you have come into close contact with, travelled internationally, including to/from the United States, in the last 2 weeks?

*If you can answer **yes** to any of these questions, we ask that you please do not attend the performance for the health and safety of others.*

PPE such as masks will follow BC Health recommendations. Masks will be mandatory at all times. BV asks that you come prepared to the venue with your own mask (BV will provide disposable masks to those without one).

Guests that are 12+ will need to be *fully* vaccinated and will be asked to present proof of vaccination and valid government-issued photo ID. If a member does not have the required documents, they will not be permitted to enter Kirk Hall.

Sanitation Procedures

- All chairs, washrooms, and public areas will be thoroughly cleaned and disinfected every day before the arrival of guests.
- High touch zones such as doorknobs/handles and railings will be sanitized frequently for the safety of everyone.
- Hand sanitizer stations will be placed throughout Kirk Hall and the entrance.

If you have any questions or concerns, you may contact 250-380-6063 or email bvmarketing@balletvictoria.ca
