Ballet Victoria turns 20 this season and I am grateful to have been part of the organization for the last 15 seasons and counting. It has been thrilling and I have learned so much. I've worked with so many great artists as well as met wonderful and diverse ballet enthusiasts and supporters in our community. This year, BV was honoured to have won the "Company of the Year" Award from the BC Touring Council.

The pandemic affected all of us and while times were and still are challenging, BV's efforts to maintain all its artists working and growing prompted the creation of our own performance venue, Kirk Hall. The venue helped us to continue operating and offered a new way to experience dance in a "chambre" intimate and unique setting. Our season thus opens in our "Pandemic Playhouse" with a series of 9 performances with all the professional theatrical technology one can expect today and a lot more leg room! Seats are limited for the shows so book early for our October season opening! Please do connect with BV directly to buy your tickets. The three following productions will all take place at the Royal Theatre and you can contact the RMTS Box office or go through our website.

I look forward to seeing you at our performances and I encourage you to sign up for our newsletter so that we may keep in touch and let you know all the exciting BV offers during the season.

I am grateful for your support and the validation you bring to our artform. I look forward to seeing you at our performances.

BV is grateful to be able to live and work on the Traditional Territories of the Lekwungen and Wsanec peoples as well as perform on the lands of many other First Nation peoples across North America. BV has had the opportunity to perform across British Columbia and Alberta, the USA and as far as Mexico and Japan representing ballet as one of Victoria's rich cultural voices.
