"I had no idea ballet was like that!"

This is the comment I hear probably the most from new audiences. Our ballets are beautiful and exciting!

In October, we open with Ballet Rocks, a new mixed program set to rock music, and classic variations that thrilled generations. These performances will be in our own fully equipped Kirk Hall venue. A chamber performance for a unique experience. Our season continues at the Royal Theatre with our own magical Nutcracker, where tradition, innovation, and humour blend seamlessly for the holiday season. In March, the vampire that started it all takes the stage. Dracula is back with new set designs, costumes, and more. Definitely a ballet with bite! We close in May, with an exciting surprise. BV boldly goes where it has not gone before, with its own new Swan Lake. One of the most iconic classical ballets to Tchaikovsky's incredible score, it will challenge our dancers' technical and dramatic abilities to a whole new level. Don't miss a show this season. Secure your tickets now to all four productions and save! Bring your family and invite your friends for a thrilling dance extravaganza.

Warmest regards,
Paul Destrooper
Artistic/Executive Director

The epitome of classical ballet. A great love story. Tchaikovsky's scintillating score.

Destrooper brings new complexity and choreography to this spellbinding ballet. Prince Siegfried's love with maiden-turned-white-swan Odette is tested by evil sorcerer Rothbart and his black-swan enchantress, Odile.
