### It's Showtime!

The time has come!! The stage is set, costumes are hung and dancers are ready to perform the rendition of One Thousand and One Nights Tale. With only one more performance of Aladdin this afternoon you won't want to miss the opportunity to see it.

Look forward to a heartfelt tribute to the Chinese origin of the story via French author Antoine Gallant, who included the story in his "One Thousand and One Nights" (Arabian Nights) before becoming the tale Disney made famous. We invite the audience on an immersive journey along the

historical Silk Road from Europe to East Asia with a timeless and classic score. Music such as Saint-Saëns' *Bacchanale*, Borodin's *Polovstian Dances*, Minkus' *Bayadere* as well as excerpts of Hans Zimmer's *Dune* soundtrack. Expect exotic flair, innovative dance and Hollywood special effects.
