

How the Students Prepare

While the company is finishing up their tour, back in Victoria the students of the BV Conservatory are eagerly waiting to join the production on stage at The Royal Theatre. With almost 30 students excited to get on stage, the studios at Ballet Victoria are buzzing!

All the students are hard at work to be stage ready. This year we have two Intensive 4 students performing exciting roles. Romy Kashyap will be dancing the role of Clara and Lilika Bootsman will be dancing Spanish alongside the aspirants. Ms. Andrea Bayne is very proud of their dedication to the show!

Don't miss the chance to watch Ballet Victoria Conservatory students perform with the company!

Tour is Coming to an End

The company is completing their last shows on tour this weekend in Chilliwack. They have had the chance to share *The Gift of The Nutcracker* with many wonderful audiences and are very grateful for the opportunities.

While reaching over 6500 audience members, dancers got to share the stage with students from local studios, experience debuts, and travel the West Coast. Tour creates memories we will never forget, and we would like to thank all the theatres who staged our production this holiday season. Next up, shows in Victoria!

We can't wait to share *The Gift of The Nutcracker* with you at The Royal Theatre
