A Trip Down the Rabbit Hole

Follow Alice as she tumbles into a curious land where nothing is quite as it seems, and every twist brings a new surprise. Along the way, she meets unforgettable characters like the eccentric Mad Hatter, who hosts delightfully puzzling tea parties, and the fiery Queen of Hearts, whose larger-than-life personality keeps everyone on their toes. Each encounter adds to the wonder, humour, and charm that make this story so beloved.

As Alice grows and shrinks in this magical world, she experiences everything as both enormous and tiny—capturing that strange feeling of being small in a big world, yet

powerful in unexpected ways. It's a playful reminder of how perspective can change everything.

Whether you remember it from childhood or are discovering it anew, *Alice in Wonderland* is a story for all ages, get your tickets today!

Curiosity, Creativity & Wonderland

Lewis Carroll, the brilliant and eccentric author behind *Alice's Adventures in Wonderland*, created a story that has captivated readers for generations. First published in 1865, Alice's journey broke literary conventions, blending logic, satire, and dreamlike fantasy in a way that still feels fresh today. What makes *Alice in Wonderland* so enduring is its playful language, unforgettable characters, and layered meanings inviting both children and adults to find something new with every reading.

Adding another dimension to this magical tale, composer Benjamin Britten brought Alice's world to life through music, enhancing its charm with expressive and imaginative soundscapes. His work captures the spirit of Wonderland—quirky, enchanting, and just a little bit surreal.

We can't wait to share this whimsical story with you, get your tickets today!
