Ballet Rocks Hits the Road

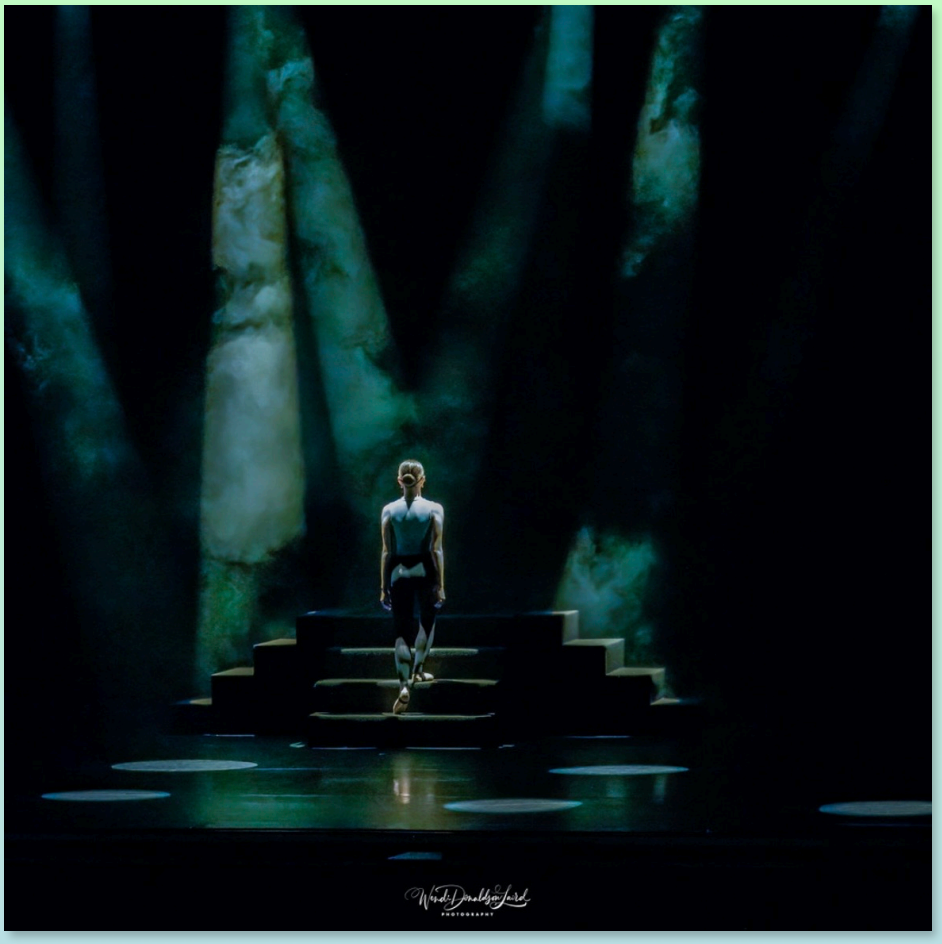
Today, our company is hitting the road to Courtenay for our first tour of the season with **Ballet Rocks!** It's an exciting day of travel, setting up our lights in the venue, adapting the show to the theatre, and ensuring that everything is performance ready.

As our dancers get a feel for their new space, anticipation is building for tomorrow's show and the chance to share the magic of Ballet Rocks with another lovely audience.

Stay tuned! We can't wait to share how our Courtenay show goes, along with a look at another busy day in Duncan!

Happy Halloween

Yesterday, our company travelled from Courtenay to Duncan for another exciting performance at the Cowichan Performing Arts Centre! It was a full, busy and exciting day: a little drive from Courtenay, set up the show and bring the magic of Ballet Rocks to the biggest stage on Vancouver Island. We love touring and performing for new audiences each season. Next week we are off to Olympia, WA, with Alice in Wonderland!



The touring season is just getting started! Next up is The Gift of the Nutcracker, a holiday favourite with stops in Moscow & Sandpoint ID, Coquitlam and Chilliwack. If you know people there, let them know!
