Nutcracker is in Full Swing

This past weekend, our company travelled to Olympia, Washington, to bring *Alice in Wonderland* to the stage. We had a wonderful time sharing this magical production with the audience in the beautiful Washington Centre for Performing Arts! Now, we're back home and diving headfirst into one of our favourite times of the year… *The Gift of The Nutcracker*!

It's our busiest season, filled with rehearsals, excitement, and a little extra holiday magic. There's nothing quite like this time of year, and we can't wait to share the magic with you! Whether it's a beloved holiday tradition or your first time experiencing the wonder, it's the perfect opportunity to gather the whole family and make memories together.

You won't want to miss *The Gift of The Nutcracker* this year! Get your tickets today!

Meet our Sugarplums

We're delighted to introduce this year's Sugarplum Fairies: Isabelle Jutras, Yui Watanabe and Kaylie Conner! Joining them on stage as The Princes are Takeru Hatsushika, Sebastian Fairley and Peter-Nicholas Taylor, bringing even more magic to this beloved holiday tradition.

Behind the scenes, these dancers have been working hard in the studio, refining every step, discovering the emotion and artistry within the choreography, and bringing their characters to life. Their dedication and passion are helping create something truly special, and they can't wait to share the magic with all of our lovely audiences!

Get ready for a little sparkle, a lot of heart, and an enchanting performance in
